Inquiry Grant Application

Please answer the following questions regarding your proposal:

1. Abstract (up to 150 words)
2. Please, indicate what questions will be addressed in this inquiry activity:
3. What are you measuring and what are you comparing for each of the questions above?
4. How will you proceed to develop the activity(ies) (methodology for each question)?

Final Report: The District 181 Foundation requires a final report from grantees at the time of completion or by May 1st of that school year, and before any new inquiry grant application is submitted.
See Final Report Form.
